Chulalongkorn University Announcement
Regarding Applications for the Bachelor of Science (International Programs), Faculty of Science for the Academic Year 2027 (International Admission Rounds)

Chulalongkorn University is now accepting applications for admission to the Bachelor of Science (International Programs), Faculty of Science, comprising the Bachelor of Science in Applied Chemistry (BSAC), Bachelor of Science in Biotechnology (BBTech), and Bachelor of Science in Industrial Science and Technology (BISTech) for Academic Year 2027 (International Admission Rounds). The application procedures and requirements are as follows:

1. Application Requirements

1.1 General Requirements

1.1.1 Applicants must not hold Thai citizenship and must have completed high school, passed an approved high school equivalency examination, or be currently in their final year of high school (Grade 12 in the US system or Year 13 in the British system).

1.1.2 Applicants must satisfy all three of the following requirements:

1.1.2.1 Applicants must have completed high school (or equivalent) coursework or standardized examinations in science subjects.

1.1.2.2 Applicants must achieve the prescribed minimum score in any one of the following English proficiency tests:

- TOEFL iBT (Internet-based Test)			
- for tests taken before 21 January 2026	not lower than	79	**or**
- for tests taken on or after 21 January 2026	not lower than	4.5	**or**
- IELTS	not lower than	6.0	**or**
- SAT (Reading and Writing)	not lower than	500	**or**
- CU-TEP	not lower than	80	**or**
- CU-AAT (Verbal)	not lower than	400	**or**
- Duolingo English Test	not lower than	110	**or**
- China Gaokao (English)	not lower than	105	

1.1.2.3 Applicants must also achieve the prescribed minimum score in any one of the following Mathematics tests:

- CU-AAT (Mathematics)	not lower than	450	or
- SAT (Mathematics)	not lower than	550	or
- ACT (Mathematics)	not lower than	25	or
- IB Diploma (Mathematics HL Subject)	not lower than	5	or
- GCE A-Level (Mathematics Subject)	not lower than	B	or
- China Gaokao (Mathematics)	not lower than	70	

All scores submitted under Section 1.1.2.2 and 1.1.2.3 must not be older than two years by the last day of the application date.

1.2 Program-specific Requirements

Applicants must also achieve the prescribed minimum score in any one of the following Science tests

1.2.1 Program in Applied Chemistry

- CU-ATS (Chemistry)	not lower than	380	or
- TBAT (Chemistry Subject)	not lower than	380	or
- AP (Chemistry Subject)	not lower than	3	or
- IB Diploma (Chemistry HL Subject)	not lower than	4	or
- IB Diploma (Chemistry SL Subject)	not lower than	5	or
- GCE A-Level (Chemistry Subject)	not lower than	C	or
- GED (Science Subject)	not lower than	165	or
- GPAX on Science Subject from high school level (Grades 10-12, at least 3 credits on a 4.00 scale)	not lower than	3.00	

1.2.2 Program in Biotechnology

- TBAT (Physics, Chemistry and Biology)	not lower than	1,000	or
- AP (Biology Subject)	not lower than	3	or
- IB Diploma (Biology HL Subject)	not lower than	4	or
- IB Diploma (Biology SL Subject)	not lower than	5	or
- GCE A-Level (Biology Subject)	not lower than	C	or
- GED (Science Subject)	not lower than	165	

1.2.3 Program in Industrial Science and Technology

- CU-ATS (Chemistry or Physics Subject)	not lower than	380	or
- TBAT (Physics, Chemistry and Biology)	not lower than	1,000	or
- AP (Chemistry or Physics Subject)	not lower than	3	or
- IB Diploma (Chemistry or Physics HL Subject)	not lower than	4	or
- IB Diploma (Chemistry or Physics SL Subject)	not lower than	5	or
- GCE A-Level (Chemistry of Physics Subject)	not lower than	C	or
- GED (Science Subject)	not lower than	165	

All test scores submitted under Section 1.2 must not be older than 2 years by the last day of the application period.

1.3 Predicted Grades Policy: Each program accepts official school-issued predicted grades (IB Diploma, GCE A-Level, and AP) for application evaluation and provisional enrollment. Applicants admitted on the basis of predicted grades are eligible to enroll provisionally and participate in orientation. Upon the official release of results, final official scores must be submitted immediately. The program reserves the right to cancel admission and terminate student status retroactively should the final official results fall below the minimum required criteria.

1.4 Applicants must have a history of good behavior and agree to abide strictly by all current and future regulations, codes, and policies of Chulalongkorn University.

Should it subsequently be found that an applicant fails to meet any specified qualifications, or if the information and documents provided in the application are found to be false or falsified, the applicant's eligibility for selection will be revoked immediately, even if they have already applied or passed the selection process. Furthermore, the applicant may be subject to legal action.

2. Academic Management

2.1 **Bachelor of Science in Applied Chemistry (BSAC)** offers study tracks focused on the practical application of chemical knowledge across four key areas:

1. Industrial Chemistry and Management
2. Materials Chemistry
3. Environmental Chemistry
4. Cosmetics Chemistry and Entrepreneurship

2.2 **Bachelor of Science in Biotechnology (BBTech)** is a 4-year interdisciplinary undergraduate program focusing on various branches of biotechnology, including Animal, Plant, Microbial, Environmental, Marine, Food, Medical Biotechnology, and Bioinformatics.

2.3 **Bachelor of Science in Industrial Science and Technology (BISTech)** is a 4-year interdisciplinary undergraduate program that integrates knowledge in science, technology, and industrial management, with emphasis on Materials Science, Food Technology, Chemical Technology, and Imaging and Printing Technology.

3. Number of Available Places

The Faculty of Science is authorized to admit up to **53 (fifty-three)** students to the Bachelor of Science (International Programs) for Academic Year 2027 (International Admission Rounds), allocated as follows:

3.1	Bachelor of Science in Applied Chemistry	20 (twenty) places
3.2	Bachelor of Science in Biotechnology	18 (eighteen) places
3.3	Bachelor of Science in Industrial Science and Technology	15 (fifteen) places

4. Application Schedule and Application Fee

4.1 Application Schedule

4.1.1 Applicants must submit applications online via **https://intl-admission.sc.chula.ac.th**. Applications are accepted in two rounds as follows:

- **First round application period**: 5 January 2027 – 19 February 2027
- **Second round application period**: 1 April 2027 – 7 May 2027

(The second round of application will open only if the announced quota is not filled in the first round.)

4.1.2 Application Fee Payment

- **For the first-round application, the fee payment period is from 5 January 2027 to 19 February 2027.**
- **For the second-round application (if opened), the fee payment period is from 1 April 2027 to 7 May 2027.**

Applicants must pay the application fee of 1,000 Thai Baht via https://intl-admission.sc.chula.ac.th

4.2 Application Fees

The application fee is 1,000 Thai Baht (exclusive of transaction fees and applicable surcharges).

5. Application Document Package

Applicants must complete the application form in full and ensure that all provided information is accurate and authentic. All submitted applications must be accompanied by the following documents:

- Official high school transcript(s)
- Official copies of examination results as specified in Sections 1.1 and 1.2 above
- A copy of the applicant's passport (biodata page)
- Proof of application fee payment

6. Admission Selection

6.1 First Round Application

6.1.1 Announcement of Applicants Qualified for Interview

The Faculty of Science will announce the list of applicants qualified for an interview on **24 February 2027** via https://intl-admission.sc.chula.ac.th.

6.1.2 Online Interview

Applicants qualified for an interview will be examined online from **1 March 2027** to **5 March 2027**. Failure to report for the scheduled interview will result in disqualification.

6.1.3 Announcement of Successful Candidates

The Faculty of Science will announce applicants who have passed the interview, along with details for confirming acceptance of the offer on 10 March 2027 via https://intl-admission.sc.chula.ac.th.

6.1.4 Acceptance of Offer and Payment of Admission Confirmation Fee

Applicants who have passed the interview must report to accept the offer and pay the admission confirmation fee from **27 May 2027** to **31 May 2027** via https://intl-admission.sc.chula.ac.th. Failure to complete these steps by the designated time will be deemed a decline of the offer.

6.1.5 Announcement of Additional Qualified Applicants (Reserve List, if any)

The Faculty of Science will announce additional successful candidates via https://intl-admission.sc.chula.ac.th. These applicants must report to accept the offer and pay the admission confirmation fee from **22 March 2027** to **24 March 2027** via https://intl-admission.sc.chula.ac.th. Failure to do so by the deadline will result in forfeiture of the offer.

6.1.6 Announcement of Confirmed Enrollees

The Faculty of Science will notify applicants who have confirmed acceptance and paid the admission confirmation fee via email by **30 March 2027.**

6.2 Second Round Application (Subject to Seat Availability)

The second application round will be conducted only if the admission quota is not fulfilled in the first round.

6.2.1 Announcement of Applicants Qualified for Interview

The Faculty of Science will announce applicants qualified for an interview on **12 May 2027** via https://intl-admission.sc.chula.ac.th.

6.2.2 Online Interview

Applicants qualified for an interview will be examined online from **14 May 2027** to **18 May 2027**. Failure to report for the interview will result in disqualification.

6.2.3 Announcement of Successful Candidates

The Faculty of Science will announce applicants who have passed the interview, along with instructions for confirming acceptance of the offer, on **24 May 2027** via https://intl-admission.sc.chula.ac.th.

6.2.4 Acceptance of Offer and Payment of Admission Confirmation Fee

Applicants who have passed the interview must report to accept the offer and pay the admission confirmation fee from **27 May 2027** to **31 May 2027** via https://intl-admission.sc.chula.ac.th. Failure to complete these steps by the designated time will be deemed a decline of the offer.

6.2.5 Announcement of Additional Qualified Applicants (Reserve List, if any)

The Faculty of Science will announce additional successful candidates via https://intl-admission.sc.chula.ac.th These applicants must report to accept the offer and pay the admission confirmation fee from **1 June 2027** to **4 June 2027** via https://intl-admission.sc.chula.ac.th. Failure to do so within the specified period will be deemed a decline of the offer.

6.2.6 Announcement of Confirmed Enrollees

The Faculty of Science will notify applicants who have confirmed acceptance and paid the admission confirmation fee via email by **9 June 2027**.

7. Conditions of Enrollment

7.1 Applicants must have completed Mattayom 6 or its accredited equivalent to be eligible to register as students of Chulalongkorn University. Should it be found that an applicant admitted to the university submitted false information or fraudulent credentials, their admission and student status will be revoked. Chulalongkorn University reserves the right to withhold any refund of the application fee and admission confirmation fee. Applicants who have completed their education at an international school or an overseas institution not directly accredited by the Ministry of Education must have their qualifications officially accredited by the Council of University Presidents of Thailand (CUPT) as equivalent to the Ministry of Education's Basic Education Core Curriculum.

7.2 Should it subsequently emerge that an admitted applicant has provided false information or fraudulent credentials in support of the application, their admission will be rescinded immediately. The applicant may also be subject to legal proceedings and criminal prosecution.

7.3 Should it emerge that an applicant has confirmed acceptance of admission in more than one program simultaneously, their right to study will be revoked in all programs without prior notice.

8. University Fees and Surcharges

Tuition fees, university fees, and special surcharges will be charged in accordance with the official announcements and financial regulations of Chulalongkorn University.

Announced on 29 October 2026

Professor Wilert Puriwat, D.Phil. (Oxon)

President
